24 April 2026 | Southern Star, Mysuru

As Mysuru accelerates its transition towards a sustainable and future-ready urban ecosystem, CII Mysuru Zone Sustainability Panel in collaboration with the Indian Green Building Council (IGBC), is organising the **Green Mysuru Conclave 2026** scheduled on **Friday, 24th April 2026 at Southern Star Mysuru.**

The theme, **“Sustainable Ecosystems in Mysuru ? Built Environment & the Economic Drivers,”** will bring together policymakers, government leaders, industry, developers, architects, engineers, sustainability experts, academia, financial institutions, NGOs, and technology innovators to drive actionable dialogue on sustainable urban transformation.

The Conclave will examine how Mysuru can **integrate green building practices with economic growth** to build a resilient and competitive city. Discussions will focus on **resource-efficient infrastructure, renewable energy integration, clean mobility, and the emergence of green industries** as key economic drivers. The platform will highlight scalable strategies, innovative frameworks, and real-world practices that enable responsible growth while preserving Mysuru’s environmental and cultural fabric.

Key Focus Areas:

- Strengthening Mysuru’s Sustainability Ecosystem ? Built Environment & Economic Enablers
- Green Frameworks, Smart Solutions & Eco-Friendly Practices for Urban Systems
- Resource-Efficient Infrastructure, Renewable Energy & Low-Carbon Development
- Clean Mobility & Sustainable Urban Transport
- Role of Industry & Educational Institutions in Advancing the Green Movement

The **Green Mysuru Conclave 2026** will serve as a high-impact platform to exchange insights, forge partnerships, and catalyse solutions that position Mysuru as a **benchmark for sustainable and economically vibrant cities.**

Delegate Fee ? per participant :

Particulars	Amount
CII ? Yi Member	Rs. 1,500 + Taxes
Non-Member	Rs. 2,000 + Taxes
