VICE-CHANCELLOR'S MESSAGE

Dear Learner,

I have great pleasure in informing you that KSOU is accredited with A+ grade by NAAC (3.31 CGPA). It stands second best State Open University in India. The family of KSOU welcomes you to pursue the academic programmes you have chosen to achieve not only academic excellence but also to fulfill the desire of your career. The University established by the Act of State Legislature has created wonderful academic ambience. The programmes offered by the university have been recognized by University Grants Commission. Therefore, the degrees are valid for employment opportunities across the country. The 'core values' of the University is derived from its vision 'Higher Education to Everyone, Everywhere'. The ultimate touchstone of providing quality higher education is the motto of the university. Today, higher education stands at the crossroads of keeping pace with the emerging needs of the country.

The University has adopted a school concept in its functioning. Different schools headed by Directors for effective functioning of various academic programmes under differenct schools like Humanities, Social Sciences, Commerce, Education and Sciences. Blend of interdisciplinary and professional approach is adopted to pedagogy and research. The University believes that rigors of the contemporary world require competent quality human resources to create knowledge based society. The academic activities of the programmes are routed through well-established department/s led by the Chairperson/s. Well-qualified teaching faculty with equally dedicated non-academic team is an asset to the university, which is always, committed for the welfare of the students.

The University functions in a 3-tier system of student support service, namely Headquarters, Regional Centres and Learners Support Centres spread all over Karnataka. The learners can undergo teaching learning process in the notified Regional Centres/Learner Support Centres. The University has adopted a mechanism to deliver Self Learning Material by print, limited audio visual and Counseling/Personal Contact Programme. As a learner, you will have greater opportunity to gain knowledge and skill through these mechanisms. The academic counselors will play a strategic role and enable you from the enrollment of the programme till you accomplish the goal. A proper blending of the knowledge and skill will be imparted so that you will be transformed as a good citizen to contribute to the development of society and the country.

The UGC in its Public Notice stated that the Degree/Diploma/Certificate Programme awarded through distance mode is on par with corresponding Degree/ Diploma/ Certificate Programme obtained through conventional universities. The degrees acquired through distance education are recognized for the purpose of employment in State/Central Government, MNCs, Private Sector etc. It also enables you to pursue higher education in other educational institutions. Therefore, you have greater opportunity of pursuing Higher Education without any kind of fear about your career.

I am sure you will enjoy good experience with services rendered by the university through its Regional Centres and Learner Support Centres, besides Headquarters. I wish you all the best in your academic endeavors.

Prof. Sharanappa V Halse

ABOUT THE UNIVERSITY

Karnataka State Open University is recognized by the University Grants Commission under (Open and Distance Learning) and online Regulation 2020.

The University was established in June 1996 with a vision **"Higher Education to Everyone, Everywhere".** The University blossomed in the era of globalization in which the economies of the world are being transformed from their original closed self-sustaining structure to the globalized context, where they can expose themselves to the competitive world. This transition ushered in new changes in the arena of knowledge enphasisng application besides accumulation of facts. The Karnataka State Open University in order to cope with the present global environment, is attempting to integrate interdisciplinary approaches in the dissemination of knowledge with the aim of achieving overall human personality development.

Mysuru is a historical centre possessing a rich cultural heritage which had valiant historical events of different kingdoms and humane social setup of incomparable stature. The University has paved the way for realizing its vision at the international arena leading to human welfare. It was started during the year 1996 as its separate entity to cater to the needs of thousands of young aspirants of higher education.

The KSOU is situated at the heart of Mysuru city. The University is headquartered in 50 Acre of campus in a fully green ambience. The University is offering UG, PG and Ph.D. programs besides diploma and PG certificate programs in various disciplines. The University is fully equipped with 28 academic departments controlled by the chairpersons and supported by other faculty and non teaching staff. The University is offering various degrees and diploma programmes in Humanities, Social Science, Science, Commerce and Management. The KSOU is carved out mainly with an intention of promoting higher education among unprevileged group of society and hence, the fees for all the courses are at affordable rate.

Special Features: The Open Distance Learning system is a unique and challenging because, the learners joining Open Distance Learning come from a diverse socio-economic background and with a varied learning background. The present conventional university system could not meet the genuine needs of such students who could not pursue their studies in a conventional university for various reasons. In order to give them an opportunity to pursue their studies in Open - Distance Learning, this University has been established. The major objectives of the University is to generate human resources of top quality laying more emphasis on the following issues:

(1) To tansform guiding vision into action plan through various measures.
(2) To generate high quality human resources through skill training.
(3) To provide opportunities to those who discontinued their studies.
(4) To encourage the working class to acquire higher knowledge.
(5) To facilitate the opportunities to pursue higher education at their own places.
(6) To provide transparent manner of admission.
(7) To transform restricted learning to a global-based learning.
(8) To promote new concept and new direction in higher education.
(9) To foster multiple imperatives to achieve the national development.
(10) To play critical role in addressing social imperatives.
(11) To build innate capacity by creating adequate student – support services.

8. Credit System for the Programs

The University follows the **'Credit system'** for all its programs. Each credit is of 30 hours of study comprising of all learning activities such as studying the self-learning material,

participating in the counseling/contact classes, preparing the assignments, visiting library/industry/institution, interacting through audio-visual related issues and preparing for exams. Thus, a four credit course involves 120 study hours, a six credit course involves 180 study hours and so on. This helps the students to understand the academic efforts she/ he has to put in order to successfully complete the course.

The maximum period for Completion of Course

Normally the Candidate is expected to complete the program within the minimum period as laid down by the University for a specific Program. However, a student whatever reasons is not able to complete the UG program within the minimum duration prescribed for the program may be allowed a period of two years beyond the normal period to clear the backlog to be qualified for the degree. The general formula is N+N years (N=¯Normal / minimum duration prescribed for completion of the program).

9. CHOICE BASED CREDIT SYSTEM (CBCS)

Choice based credit system (CBCS) is globaly acknowledged system. Therefore, the entire higher education in India is transforming itself towards this uniform grading system. The CBCS provides an opportunity for the students to choose the courses from the prescribed courses comprising core, elective/minor or skill based courses. The courses can be evaluated following the grading system, which is considered to be better than the conventional marks system. This will benefit the students to move across institutions within India to begin with and across countries.

The uniform grading system will also enable potential employers in assessing the performance of the candidates. In order to bring uniformity in evaluation system and computation of the Cumulative Grade Point Average (CGPA) based on student's performance in examinations, the University Grants Commission has formulated the guidelines to be followed in this regard.

The choice based credit system not only offers opportunities and avenues to learn core subjects but also exploring the additional avenues of learning beyond the core subjects for holistic development of an individual. The CBCS will undoubtedly facilitate us bench mark our courses with best international academic practices.

Advantages of the choice based credit system:

- Shift in focus from the teacher-centric to student-centric education.
- Student may undertake as many credits as they can cope with (without repeating all courses in a given semester if they fail in one/more courses).
- CBCS allows students to choose inter-disciplinary, intra-disciplinary courses, skill oriented papers (even from other disciplines according to their learning needs, interests and aptitude) and more flexibility for students).

CBCS makes education broad-based on par with global standards. One can take credits by combining unique combinations. For example, Physics with Economics, Microbiology with Chemistry or Environment Science etc. CBCS offers flexibility for students to study at different times and at different institutions to complete one course (easing mobility of students). Credits earned at one institution can be transferred.

Outline of Choice Based Credit System:

1. **Core Course:** A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course.

2. **Elective Course:** Generally a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.

    2.1 **Discipline Specific Elective (DSE) Course:** Elective courses may be offered by the main discipline/subject of study is referred to as Discipline Specific Elective.

    2.2 **Dissertation/Project:** An elective course designed to acquire special/advanced knowledge, such as supplement study/support study to a project work, and a candidate studies such a course on his own with an advisory support by a teacher/ faculty member is called dissertation/project.

    2.3 **Generic Elective (GE) Course:** An elective course chosen generally from an unrelated discipline/subject, with an intention to seek exposure is called a Generic Elective.

P.S.: A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice versa and such electives may also be referred to as Generic Elective.

3. ***Ability Enhancement Courses (AEC)***: The Ability Enhancement (AE) Courses may be of two kinds: *Ability Enhancement Compulsory Courses* (AECC) and *Skill Enhancement Courses* (SEC). AECCs are the courses based upon the content that leads to Knowledge enhancement;

    i. Environmental Science and

    ii. English/ MIL Communication.

Courses mentioned above are mandatory for all disciplines. SEC courses are value-based and/or skill-based and are aimed at providing hands-on-training, competencies, skills, etc.

3.1 *Ability Enhancement Compulsory Courses* (AECC): Environmental Science, English Communication/MIL Communication.

3.2 *Skill Enhancement Courses* (SEC): These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge.

Introducing Research Component in Under-Graduate Courses Project work/Dissertation is considered as a special course involving application of knowledge in solving / analyzing /exploring a real life situation / difficult problem. A Project/Dissertation work will be of 6 credits. A Project/Dissertation work may be given in lieu of a discipline specific elective paper

10. Modular Approach or Lateral Exit

National Education Policy (NEP) 2020 seeks to reform the Higher Education system by providing, among other things, flexibility to students in terms of choice of subjects to study and explore academic pathways. A creative combination of disciplines for study with multiple entry and exit points is one very important recommendation of NEP, 2020.

UGC has notified Guidelines for Multiple Entry and Exit in Academic Programmes offered in Higher Education Institutions to remove rigid boundaries and create new possibilities for students to choose and learn the subject(s) of their choice. In addition, it will pave the way for

seamless student mobility, between or within degree-granting HEIs through a formal system of credit recognition, credit accumulation, credit transfers, and credit redemption.

In consonance with this, KSOU has also facilitated multiple entry and exit to the post graduates of KSOU. The objective of this policy to:

- Remove rigid boundaries and facilitate new possibilities for learners.
- Curtail the dropout rate and improve GER
- Offer creative combinations of disciplines of study that would enable multiple entry and exit points.

Exit Point: For postgraduate programmes, there shall only be one exit point for those who join the two-year Master's programme, that is, at the end of the first year of the Master' programme. Students who exit after the first year shall be awarded Post-Graduate Diploma (Level 8

11. M.A Programmes

E. Instructional Delivery System – MA

The instructional methodology used in this University is different from that of conventional Universities. The Open University system is more learners oriented, and is geared to cater to the needs of motivated students, assuming that the student is an active participant in the teaching-learning process. The University follows multi-channel approach for instruction. Instruction to student is imparted through various modes such as print, audio/video and supported by counseling face to face, electronic mode etc.

- **Self-Learning Material (SLM):** The Study material prepared by highly experienced academicians/subject experts is an integral part of Instructional delivery. The Study Material is learner centric with illustrations, case studies, experience etc., which will help learners in acquiring knowledge and skill.

- **Personal Contact Programme (PCP):** The PCP will be arranged by the university at the notified center. Dedicated faculty will be engaged into action to render quality services.

- **Counselling:** The University will arrange counseling through face to face and electronic mode. The details relating to PCP and counseling will be uploaded to the University website at appropriate time.

i. Self-Learning Material and its Delivery

1. The Study Materials has been designed keeping in view of the norms prescribed by the UGC. Study Materials are divided into different blocks. The self-learning material has been designed in the background of learners assessment of study level. It is a primary source of information for pursuing various degrees. The self-learning materials will be delivered at the time of admissions.

2. For the students who have not received the Study Material in person, the University will dispatch. If returned or undelivered to the addressee, the study material will be sent to such students later, on the condition that the student should bear the postal charges. Such addresses are updated in the KSOU website **(www.ksoumysuru.ac.in.)**.

3. The University has introduced a system of evaluation of self-learning material by the students. For this purpose a feedback will be sent along with the self-learning

material. Every learner shall submit the feedback on quality content of self-learning material as per the instructions and send it to concerned Regional Director.

ii. AUDIO-VIDEO STUDIO PROGRAMS

"Our Karnataka State Open University has its own studio called Visual Studio, dedicated to providing a wide range of online and digital learning experiences for all its students. The aim is to transform all courses into an attractive visual medium, making learning both easy and appealing. Simultaneously, it turns studying into an entertaining task rather than a boring one, achieved through eye-catching visuals, soothing background music, enticing text styles, and a mind-inducing format.

For this purpose, the studio is equipped with advanced technology, including a large spacious Green matte floor, high-quality cameras, editing suites with top-of-the-line Apple systems, and all the necessary CG and Photoshop software. The studio is staffed by talented and creative individuals who operate and handle the cameras and software efficiently.

The KSOU Studio strives to produce excellent digital content daily, covering various subjects such as science, technology, management, arts, history, etc. All this content is available on our "KSOU DHRUSHYAVAHINI" YouTube channel. To date, the studio has produced around 500 pieces of content, all of which have been watched and appreciated by university students for their appealing quality.

In addition to course content, the studio makes an effort to communicate university seminars, programs, and events by capturing and uploading them to various digital platforms. Short videos of these programs are displayed on the university's signboards and other platforms to disseminate information rapidly.

As times change and trends evolve, education must also adapt its teaching methods and techniques. In this regard, our Karnataka State Open University's Visual Studio is a step ahead, consistently adopting new technologies effectively. This positions the university as strong and innovative in the field of education. The studio operates with its own vision, mission, ethics, and a strong work culture to reach its desired goals."

17.1 About the Examination Policy

- **Annual Examination**
  The Examination for M.A. Degree Programmes will be conducted by the University at the end of each academic Semester. No supplementary examination will be conducted for M.A. Programmes.

- **Period for Completion of the Programme**
  The students shall complete the programme in a period of n+2 years.

- **Procedure of Examination**
  Candidate shall register for all subjects (whole examination) when he/she appears for the examination for the first time (during the year of admission).

- **Examination Centers**
  Depending upon the number of students enrolled, the University will identify the Examination Centers. In addition to these Examination Centers, the University conducts examination in other institutions which will also be notified in the examination circular. If any changes are made regarding examination centers, the same will be updated in the KSOU official Website: www.ksoumysore.karnataka.gov.in. Supplementary examinations will have lesser number of examination centers depending on the strength of the students.

- **Course Exemption**
  Course exemption is granted to all Under graduate and Post graduate courses as per the ordinance of the University.

- **Declaration of Results for Undergraduate Programmes**
  The candidates should score minimum 32 Marks in theory and aggregate of 35 percent including IA Marks in all courses at the Term end examination. Those who score less than 35 per cent will be considered as failed in the examination. Therefore, such candidates have to reappear for the respective courses in the examination.

- **Declaration of Results for Postgraduate Programmes**
  The candidates should score minimum 32 Marks in theory and aggregate of 40 percent including IA Marks in all courses at the Term end examination. Those who score less than 40 per cent will be considered as failed in the examination, therefore such candidates have to reappear for the courses in the examination.

- **Marks Card**

  The University will issue Aadhar based digital Marks Card and Convocation Certificate through Online; such copies will also be available in National Academic Depository (NAD).

- **Grace Policy**

  The grace marks permissible shall be 1% of total maximum marks of all the courses or component or group or for the whole examination of all under graduate courses.

- **Grading System for M.A / M.Com (Non CBCS)**

Aggregate % of Marks Obtained	Qualitative Level Grade	Grade Class Label Awarded	
75 % or more	Excellent	A	Distinction
60-74%	Very Good	B	I Class
50-59%	Good	C	II Class
35-49%	Satisfactory	D	Pass
Below 35%	Fail	E	Fail

Grade and Credit Points are computed for each course considering the marks secured and the credits earned in each course. **Grade Points** shall be computed as per table shown below.

Credit Points are determined by multiplying the Grade Points in each course by the credits of that course. Both the Grade Points and Credit Points shall be computed for each course in each semester.

Grade Point Average (GPA) shall be computed and given to each candidate based on his/her semester performance. This shall be determined by dividing the sum of credit points earned by the student in all the courses of a semester by the total number of credits for which the candidate has taken examination in that semester,

Cumulative Grade Point Average (CGPA) is computed for the whole academic programme considering the aggregate of Credit Points of all the semesters earned by the student and dividing this sum by the total credits of all the semesters,

Classification of Successful Candidates:

The results of successful candidates at the end of each semester shall be declared on the basis of Percentage of Aggregate Marks and in terms of Semester Grade Point Average (SGPA) and Eight Point Alpha – Sign Grading Scale. The results at the end of the fourth semester shall also be classified on the basis of Percentage of Aggregate Marks and on the basis of the Cumulative Grade Point Average (CGPA) obtained in all the four semesters and the corresponding overall alpha – sign grade. An eight point grading system, alpha – sign grade as

described in Tables below shall be adopted. The Semester Grade Point Average (GPA) in a Semester and the Cumulative Grade Point Average (CGPA) at the end of the fourth semester shall be computed as follows:

Computation of Semester Grade Point Average (SGPA):

The grade points (GP) in a course shall be assigned on the basis of actual marks scored in that course as per the Table below. The Credit Points (CP) shall then be calculated as the product of the grade points earned in the course and the credits assigned for the course. The total CP for a semester is obtained by adding the CP of all the courses of the semester. The SGPA for a semester is computed by dividing the total CP of all the courses of study by the total credits for the semester.

Calculation of Cumulative Grade Point Average (CGPA):

The Cumulative Grade Point Average (CGPA) at the end of the fourth semester shall be calculated as the weighted average of the semester grade point averages (SGPA). The CGPA is obtained by dividing the total of semester credit weightages by the maximum credits for the programme.

Conversion of Percentage of Marks into Grade Points in a Paper

20. Quality Initiatives

In an endeavor to step up the quality of services rendered by the University, Centre for Internal Quality Assurance has been constituted as per the UGC order.

National Mission on Education through Information and Communication Technology (NMEICT).

The National Mission on Education through Information and Communication Technology (NMEICT) has been envisaged as a Centrally Sponsored Scheme to leverage the potential of ICT, in teaching and learning process for the benefit of all the learners in Higher Education Institutions in any time anywhere mode. This was expected to be a major intervention in enhancing the Gross Enrolment Ratio (GER) in Higher Education by 5 percentage points during the XI Five Year Plan period.

The three cardinal principles of Education Policy viz., *access, equity and quality* could be served well by providing connectivity to all colleges and universities, providing low cost and affordable access-cum-computing devices to students and teachers and providing high quality e-content free of cost to all learners in the country. NMEICT encompasses all the three elements. The Mission has two major components:

1. Providing connectivity, along with provision for access devices, to institutions and learners;
2. Content generation.

It seeks to bridge the digital divide, i.e. the gap in the skills to use computing devices for the purpose of teaching and learning among urban and rural teachers/learners in Higher Education domain and empower those, who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy. It plans

to focus on appropriate pedagogy for e-learning, providing facility of performing experiments through virtual laboratories, on-line testing and certification, on-line availability of teachers to guide and mentor learners, utilization of available Education Satellite (EduSAT) and Direct to Home platforms, training and empowerment of teachers to effectively use the new method of teaching learning etc.

Karnataka State Open University (KSOU) has adopted National Mission on Education through Information and Communication Technology (NMEICT) a flagship initiative of Ministry of Human Resource Development aims to leverage the potential of Information and Communication Technology (ICT) in teaching and learning process by high quality, personalized and interactive knowledge modules over the internet for all the learners EIs) in anytime, anywhere mode. The Karnataka State Open University has created separate cell for the NMEICT and Virtual Labs. Adopted ICT initiatives are as follows:

1. SWAYAM: Massive Open Online Courses.
2. SWAYAMPRABHA: View digital courses on TV.
3. National Digital Library: e-content.
4. e-PG Pathshala: Gateway for e-books upto PG.
5. Shodhganga: A reservoir of Indian Theses.
6. e-ShodhSindhu: e-journals.
7. e-Yantra: Engineering for better tomorrow.
8. FOSSEE: Free/Libre and Open Source Software for Education.
9. Virtual Labs: Web-enabled experiments designed for remote – operation.
10. University Enterprise Resource Planning (SAMARTH).
11. VIDWAN: Expert Database and National Research Network.
12. IRINS: Indian Research Information Network System.
13. Shodh Shudhhi (PDS): Plagiarism Detection Software.

SWAYAMPRABHA:

SWAYAM Prabha is an initiative of the Ministry of Human Resources Development to provide 32 High Quality Educational Channels through DTH (Direct to Home) across the length and breadth of the country on 24X7 basis. It has curriculum-based course content covering diverse disciplines. This is primarily aimed at making quality learning resources accessible to remote areas where internet availability is still a challenge. The DTH channels are using the GSAT-15 satellite for programme telecasts. Karnataka State Open University has provided opportunity to access relevant channels in the Cauvery Auditorium for the benefits of learners during their stay in the personal Contact Programme.

VIRTUAL LABS:

Virtual Labs provides to the students the result of an experiment by one of the following methods (or possibly a combination). Modelling the physical phenomenon by a set of equations and carrying out simulations to yield the result of the particular experiment. This can, at-the-best, provide an approximate version of the 'real-world' experiment. Providing measured data for virtual lab experiments corresponding to the data previously obtained by measurements on an actual system. Remotely triggering an experiment in an actual lab and

providing the student the result of the experiment through the computer interface. This would entail the students carrying out the actual lab experiment remotely. Virtual Labs will be made more effective and realistic by providing additional inputs to the students like accompanying audio and video streaming of an actual lab experiment and equipment. For the 'touch and feel' part, the students can possibly visit an actual laboratory for a short duration.

Karnataka State Open University has recognised Nodal Center for Virtual Labs under the leadership of National Institute of Technology, Surathkal and established well equipped V Labs Nodal Center at Science Bhavan which can cater the needs of KSOU learners of to access the experiments developed by NITK.

E CONTENT DEVELOPMENT:

The UGC e-Content scheme aims at developing high quality e-Content, as well as expertise for generating such content over the long term. The scheme provides financial assistance and technical support to teachers and other experts based in colleges and universities for the development of e-Content. The e-Content development and the associated web based learning described here do not seek to replace traditional teaching and learning, but are expected to supplement them. The inclusion of e-Content in learning is now inevitable, and the UGC initiative is designed to meet the new challenges, and to help India take the lead in this newly emerging field. The Karnataka State Open University has initiated development of e content proposal under the NMEICT.

Centre for Internal Quality Assurance (CIQA):

KSOU has established the Centre for Internal Quality Assurance (CIQA) as per UGC Open & Distance Learning Regulations 2017 to maintain quality in the service provided to the stakeholders and to assure quality standards are maintained in all its academic and administrative activities. The committee for CIQA interacts with the stakeholders and initiates various measures to promote quality of services at every stage i.e. from the enrolment of students till they accomplish their goals in their academic pursuit.

Research and Development Cell

The Karnataka State Open University has established Research and Development Cell in the University to promote quality research and academic development. The cell is actively engaged in enhancing the researches in the university. It provides academic support to the faculty members' research scholars and students of the university in writing articles and publishing. Further it also encourages the departments to conduct workshops, seminars and conferences.

Planning, Monitoring and Evaluation Board Cell (PMEB):

The Karnataka State Open University has established planning, Monitoring and Evaluation Board (PMEB), PMEB is an Administratibe wing under the agence if CIQA of the Karnataka State Open University. It is established in 2022, mainly to check out academic planning & monitoring the research initiatives besides scholarship management PMEB is furnishing all planning, Monitoring and evaluation of academic iniative programmes of the university.

21. Information and Guidance Cell

Relevant information on issues like programs offered by the University, admissions, study materials, contact program, examinations, results, marks cards, certificates, hostel facility etc. will be provided to the students who visit the University. **'Public Relation Officers'** will be present in the **'Information and Guidance Cell'** situated near the main entrance of the admission block. Students can contact them either in person or through phone and obtain required information. The contact numbers are **98453-63573** and **94494-89749.**

Guidance and Counseling:

The student career is a complex and sensitive. Students of the twenty first century are facing new challenges and difficult situations. There is dire need to guide and counseling them in different areas. It may be academic, skill development, career oriented, life skills, placement, higher studies and others. The University established full-fledged Guidance and Counseling Cell to assist thestudents.

Interactive Platform:

The University is initiating action to utilize the advantage of information and technology development to meet the learners' needs. KSOU has developed a user-friendly and easy to navigative website which is very informative and stuents can access all relevant information from the regularly updated website. In addition, a student app, Academic Platform app is also developed which can be accessed through the cell phones, which provides all necessary information to the students at the right time. A well designed online interactive platform is developed for the delivery of online classes and other meetings. Virtual class rooms and Laboratories have been created.

22. Learners Welfare Centre

Learners support services are the most vital component of the university. It includes wide range of academic, evaluation, extension and other related activities. The support services should not only be responsive to the needs of the distance learners but also proactive. Hence, the University established Learner Welfare Centre to explicitly address the needs and grievances of the learners besides advising and guiding the learners who come with prospective enquiry about the academic programmes. Learners' welfare shall be ensured by facilitating mechanisms like academic counselling, attending to queries, timely information, grievance-redressal and rewarding meritorious students. The University has created a better academic ambience for the learners who enjoy the academic experience which in turn enable them to be university ambassadors for its wellbeing. Following are the different forms of support extended to Learners:

1. *Prospective Students Support*
2. *Existing Students Support*
3. *Alumni Students Support*
4. *Grievance Redressal Support*

The centre is headed by the coordinator of the centre who is assisted by Assistant Registrar and other administrative staff. The Centre is entrusted with the responsibility of correspondence between the University Grants Commission, the University and Stakeholders. Following are the Students with grievances and seeking information about academic programmes offered by the

University and other aspects are advised to call the helpline**-+91-8690544544** monitored by Learner Welfare Centre and also through e-mail: ksoulwc@gmail.com and contactus.ksou@gmail.com

Alumni Association

There is a registered Alumni Association that contributes significantly to the development of the institution through financial and or other support services.

History:

Karnataka State Open University Alumni Association (KSOUAA) was registered as an association under Karnataka societies registration act 1960 under the name Karnataka State Open University Alumni Association with Regn No:DRMY/SOR/82/2020-21 dated 23.07.2020.

The Objectives of KSOUAA are:

Bring the old students of Karnataka State Open University, Mysuru under one forum for exchange of experience and dissemination of knowledge amongst its members and also for the furtherance of fellowship, advancement of knowledge in general of the members of the Association and the country in general.

- To conduct seminars, conferences, workshops, placement activities, endowment lectures and other academic activities and also to keep in touch with one another of the University faculty, administrators and students.
- To create and establish Alumni endowments for granting scholarships, prizes and medals to the students showing high proficiency in their studies and honour former students of the University.
- To advocate and contribute the cause of ODL with the Universities and Associations of other academic institutions relating to promotion of higher education, training and management systems and open learning thereby promote the welfare and status of the University.
- To collect funds by subscriptions, contributions, donations and gifts from members, non-members, Governments, Universities and other institutions and philanthropists for achievement of the above objectives.
- To render financial aid to deserving poor students studying at the University.
- To render financial aid to deserving alumni under the distressed situations.
- To publish Journals, magazines, souvenirs and newsletters with regards to the activities of the University and its Alumni.
- To organize cultural and educational programmes and also to conduct Alumni Day celebrations every year.
- To help the Alumni to get advice from the University on various technical problems they may come across in their official work and in real life and also with regard to job opportunities.
- To carry out such other activities as may be necessary for implementation of the above aims and objectives.

Prasaranga (Department of University Publications)

Prasaranga, the publication wing of the Karnataka State Open University is a unique organization that was established in the year 2008 for the purpose of publications and extension activities. Till date, Prasaranga has published numerous books and research publications which are well received from academicians and students. In 2021, Prasaranga is registered with Raja Rammohun Roy National Agency to obtain ISBN series for future publications. Prof D.K Rajendra was the first Director (2008-2013), followed by Dr.Tejaswi Navilooru (2009-2020), and Dr.Santhosh Naik R (since 2020) is the present Director/coordinator.

(A) Vision

- To bring quality publications to enhance the knowledge universe.
- To encourage writers, authors and researchers to create valuable content in English and Kannada languages.

(B) Mission

The aim of any university is to create and share knowledge. A university publication wing is an essential part of the mission of sharing and promoting knowledge to a wider audience. We are focused towards quality publication which is not covered exhaustively by other publishers.

(C) **Future Plans**

- To bring an interdisciplinary journal with scholarly publication containing articles written by researchers, professors and other experts.
- Digitization of all books.
- Publishing textbooks in different subjects.
- Promoting young writers in Kannada with a special emphasis on writing books in area of Social Science, Science and Technology, Management and such other professional fields.
- To create an online platform for books
- Reprinting of all books that are of great value and in demand.

23. Other Information

Change of Subject / Programme

Students, who wish to change language/ optional subject / programme after the process of admissions shall pay Rs.1,100/- for each subject within five working days fixed for the last date of admission.

Change of Medium of Instruction

There is provision for changing the medium of instruction the student had opted at the time of admission. The student should submit an application, addressed to **The Deputy Registrar (Admission)** along with fees challan of Rs.1,100/- remitted to SBI within one month, from the date of admission.

There is provision to obtain the study materials of their choice. Also there is a provision to return the study materials in the same condition as they were received. If the study materials returned are found unsuitable for distribution to other students, they will not be accepted by the study materials section.

Change of Address

If the address given by the student at the time of admission is changed, he/she should write a letter about the change of address to **The Deputy Registrar (Admission), KSOU, Mysuru.** The student should confirm, from the concerned officer, whether the change of address has been entered in the Admission Register. It is very important as the study materials, information and application forms etc. dispatched to the students from time to time, can reach them only if the address given is correct.

Change of Name

Students are required to submit the following documents to The Deputy Registrar (General) in order to change their names while pursuing their courses:

- Requisition letter for Change of Name.
- Photo Copy of the Judgment (Decree) from the court, containing the declaration of change of name.

If the Original Identity Card is lost, students are required to pay fee of Rs.330/- remitted through SBI. The following records have to be submitted in order to obtain duplicate Identity Card:

a. Student should write a letter to the Deputy Registrar (Admission), KSOU, Mysuru-6.
b. A Photocopy of previous Identity card (if available), Attested copy of marks card, photo and attested photo proof of Aadhaar Card, office copy of the fee paid details should be enclosed.
c. The University will issue the Identity Card to the students admitted for first year UG / PG Programme. The students admitted to Second year/Final year of UG / PG Degree Program shall preserve the Identity Card and fee paid details of admission and examination.
d. During the Examination, students shall invariably produce the Identity Card along with fee paid details of admission and examination to the invigilator. The University shall not be held responsible if students are denied permission to write the examination due to non-production of the above mentioned documents.

Letter Correspondence

The students may contact **the concerned officer by phone/ e-mail/ letter** to get necessary clarification and information during their study period. On such occasions, students should mention their name, address, enrollment number, subject of study, medium of instruction and **Phone/ Mobile No.** without fail. This will help to solve the problems quickly. It is mandatory on

the part of students to reply to the letters sent by the University on matters pertaining to admission, non-remittance of prescribed fee, study material, written assignments, exam, exam results etc. If students do not respond to the University's letters on time in matters mentioned above, the problems cannot be solved quickly for which the University will be not be held responsible.

24. Digital Initiatives for Higher Education - UGC

a. SWAYAM

The University will launch a few programmes online as per the directives of UGC / MHRD. For this purpose University has procured DD Free Dish and installed for accessing SWAYAM Prabha Channels. These channels will be used by the teachers while teaching the courses to have a blended learning process mainly to improve the quality of learning.

b. Digital Monitoring Cell

University has established "Digital Monitoring Cell" to review the current use of digital resources and also periodical suggestions will be given to enhance their utilization further.

c. National Academic Depository Cell

National Academic Depository (NAD) is an online store house of academic awards (degrees, diplomas, mark sheets etc.,) lodged by the boards/ academic institutions/ eligibility assessment bodies in a digital format that has been launched on 9th July, 2017 by Hon'ble President of India. It is a 24x7 online mode for making available academic awards and helps in validating its authenticity, safe storage and easy retrieval. University has established NAD cell to carry out the activities in this regard. Students shall register to the NAD.

d. National Digital Library

The National Digital library of India (NDL) is a project under Ministry of Human Resource Development, India. The objective is to integrate several national and international digital libraries in one single web-portal. The NDL provides free access to many books in English and the Indian languages. Hence, students are advised to join National Digital Library at https://ndl.iitkgp.ac.in/ to access more than 80 lakh digital resources without any cost.

e. Massive Open Online Courses (MOOCs)

The University Grants Commission, under the ambit of MHRD, has facilitated the Open Universities to conduct short term programme online. The candidates may visit the website of KSOU/ UGC to avail the benefits of such MOOCs.

National Academic Depository (NAD)

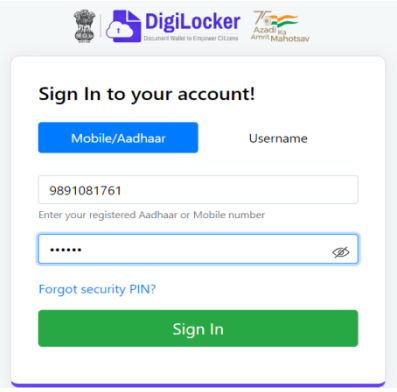
WHAT IS NAD?

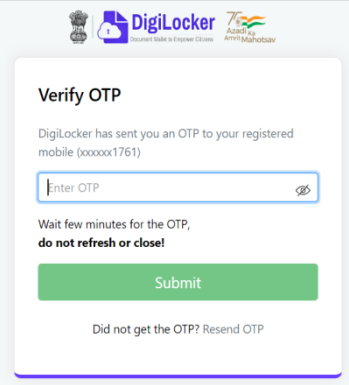
The vision of National Academic Depository (NAD) is born out of an initiative to provide an online store house of all academic awards. National Academic Depository (NAD) is a 24X7 online store house of all academic awards viz. certificates, diplomas, degrees, mark-sheets etc. duly digitised and lodged by academic institutions / boards / eligibility assessment bodies. NAD not only ensures easy access to and retrieval of an academic award but also validates and guarantees its authenticity and safe storage.

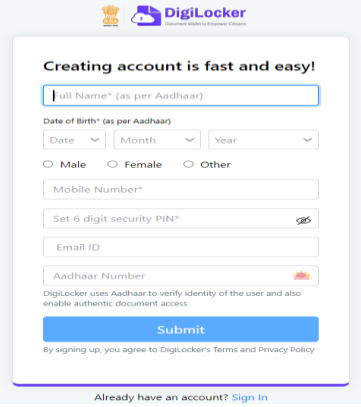
How to register on NAD?

The users of the NAD system are free to select Digilocker is a sole depository for NAD. (The users should select Digilocker is the preferred depository for register into NAD. The user may click on the link https://nad.digitallocker.gov.in which shall re-direct them to the depository's website. Further details relating to the registration process is available on the website.)

Step 1: Login to DigiLocker:







First of all, login to your DigiLocker Account. If you have not sign up in DigiLocker, create it now and then login there (You can visit www.nad.gov.in or nad.digitallocker.gov.in and then click Student on the menu bar. The page gets redirected to the student page and then register themselves by using their Aadhaar ID or Mobile Number)

A Separate cell has been created in KSOU. Dr Shalvapille Iyengar is the Co-ordinator of NAD/ABC cell and His Phone Number: 09686215043

While Creating Digilocker or ABC account contact Technical Staff if you find any difficulties feel free to contact. The Technical Assistant is Sri. Mallesh M – 08105261434

What is ABC?

"Academic Bank of Credits" means an academic service mechanism as a digital/virtual/online entity established by University Grants Commission to facilitate students to become its academic accounts holder, thereby paving the way for seamless students' mobility between or within degree granting HEIs through a formal systems of credit recognition, credit accumulation, credit transfer and credit redemption to promote distributed and flexible teaching learning.

How to Create ABC ID?

It is mandatory to create an account on ABC platform and generate ABC ID for University Admission in 2023.

Follow these simple steps to create your ABC ID from official site:

Step 1: Login to DigiLocker:

First of all, login to your DigiLocker Account. If you have not sign up in DigiLocker, create it now and then login there (You can visit www.nad.gov.in or nad.digitallocker.gov.in and then click Student on the menu bar. The page gets redirected to the student page and then register themselves by using their Aadhaar ID or Mobile Number)

Step 2: Search for Education:

After login, you search for Education category which shows Academic Bank of Credits service.

Step 3: Create ABC ID:

Finally, select your University and click on Generate ABC ID.
Read here: https://www.aubsp.com/abc-id/ for more detail.

A Separate cell has been created in KSOU. Dr Shalvapille Iyengar is the Co-ordinator of NAD/ABC cell and His Phone Number: 09686215043
