VICE-CHANCELLOR'S MESSAGE

Dear Learner,

It gives me immense pleasure to welcome you to Karnataka State Open University (KSOU), a university committed to making quality higher education accessible, inclusive, and transformative. By choosing KSOU, you have become part of a vibrant academic community that believes education has the power to enrich lives, strengthen society, and build a better future.

Higher education today extends far beyond earning a degree. It is about developing knowledge, critical thinking, creativity, ethical values, professional competence, and the confidence to adapt to an ever-changing world. At KSOU, we are committed to nurturing these qualities through flexible, learner-centric, and technology-enabled education.

Open and Distance Learning has evolved into one of the most effective modes of education, providing opportunities for learners from diverse backgrounds irrespective of age, profession, location, or personal circumstances. Whether you are pursuing higher education, upgrading your professional skills, or fulfilling your lifelong dream of learning, KSOU stands beside you throughout your academic journey.

Our University offers a wide range of programmes across the disciplines of Humanities, Social Sciences, Commerce, Management, Education, Sciences, Technology, and emerging interdisciplinary areas. These programmes are carefully designed to meet contemporary academic standards and the evolving needs of society, industry, governance, and the global knowledge economy.

At KSOU, learning extends beyond printed study materials. We integrate digital technologies, online learning resources, multimedia content, virtual academic support, learner services, and interactive platforms to create a rich and engaging learning experience. As educational technologies continue to evolve, the University remains committed to adopting innovative approaches that enhance accessibility, flexibility, and academic excellence.

Our dedicated faculty members, academic counsellors, researchers, and administrative staff work together to ensure that every learner receives quality guidance, academic support, and opportunities for intellectual and personal growth. Our extensive network of Regional Centres and Learner Support Centres across Karnataka enables us to remain connected with learners wherever they may be.

The degrees, diplomas, and certificates awarded by KSOU are recognized in accordance with the regulations of the statutory authorities governing higher education in India. They open pathways to employment, higher education, professional advancement, research, entrepreneurship, and lifelong learning.

As we move forward in an era shaped by digital transformation, artificial intelligence, sustainability, and global interconnectedness, continuous learning has become the key to personal and professional success. I encourage you to embrace curiosity, innovation, integrity, and social responsibility as guiding principles throughout your educational journey.

At KSOU, our vision is not merely to educate but to empower. We aspire to create responsible citizens, skilled professionals, thoughtful leaders, and lifelong learners who contribute meaningfully to society and the nation.

I invite you to make the best use of the opportunities available at the University. Participate actively in academic activities, engage with your teachers and peers, develop new skills, and pursue excellence with dedication and determination.

I wish you every success in your studies and look forward to witnessing your achievements. Together, let us build a future founded on knowledge, innovation, compassion, and service.

With my best wishes for a rewarding and fulfilling academic journey.

(Prof. A. P. Gnana Prakash)

ABOUT THE UNIVERSITY

The Karnataka State Open University is recognized by the University Grants Commission under (Open and Distance Learning) Regulation 2017.

The University was established in June 1996 with a vision “**Higher Education to Everyone, Everywhere**”. The University blossomed in the era of globalization in which the economies of the world are being transformed from their original closed self-sustaining structure to the globalized context, where they can expose themselves to the competitive world. This transition forced the arena of knowledge emphasizing itself to more of its application than of accumulation of facts. The Karnataka State Open University in order to cope with the present global environment, is attempting to integrate interdisciplinary approaches in the dissemination of knowledge with the aim of achieving overall human personality development.

Mysuru is a historical centre possessing a rich cultural heritage which had valiant historical events of different kingdoms and humane social setup of incomparable stature. University has paved the way for realizing the vision at the international arena leading to human welfare. It was started during the year 1996 as a separate entity to cater to the needs of thousands of young aspirants of higher education.

The KSOU is situated at heart of Mysuru city, The University operates in 50 Acre of land in a fully green ambience. The University is offering UG, PG and Ph.D. programs besides diploma and PG Diploma programs in various disciplines. The University is fully equipped with 28 academic departments controlled by the chairpersons and supported by other faculty and non teaching staff. The University is offering various degrees and diploma in Humanities, Social Science, Science and Commerce and Management. The KSOU is carved mainly with an intention of promoting unprivileged group of society and hence the fees for all the courses at affordable rate.

Special Features: The Open Distance Learning system is a unique and challenging because, the learners joining Open Distance Learning hailed from a diverse socio-economic background and with a varied learning background. The present conventional university system could not meet the genuine needs of such students who could not pursue their studies in a conventional university for various reasons. In order to give them an opportunity to pursue their studies in Open Distance Learning, this University has been established. The major objective of the University is to generate human resources of top quality with more emphasis laid on the following:

- (1) To transform guiding vision into action plan through various measures.
- (2) To generate high quality human resources through skill training.
- (3) To provide opportunity to In-service teachers to acquire higher knowledge.
- (4) To provide opportunity to pursue higher education at their own places.
- (5) To provide transparent manner of admission.
- (6) To transfer restricted learning to a global-based learning.
- (7) To promote new concept and new direction to higher education.
- (8) To promote multiple imperatives to achieve the national development.
- (9) To play critical role in addressing social imperatives.
- (10) To create adequate student-support services for innate capacity building.

10. Instructional System

The instructional methodology used in this University is different from that of conventional universities. The Open University system is more learners oriented, and is geared to cater to the needs of motivated students assuming that the student is an active participant in the teaching-learning process. The University follows multi-channel approach for instruction. Instruction to student is imparted through various modes such as print, audio and supported by face to face counseling. B.Ed. Programme has a blended approach of both personal contact programme and counseling. Theory and Practice of teaching will be arranged as per the specifications of NCTE/UGC at the KSOU headquarter/ recognized Learner Support centers.

- **Self-Learning Material (SLM):** The Study material prepared by highly experienced academicians will be part of instructional delivery. The study material is learner centric with illustrations, cases, experience etc., will help you to gain the knowledge and the skill.
- **Personal Contact Programme (PCP):** The PCP will be arranged by the University at the Learning Support Centers. Dedicated faculty will be pressed into action to render quality services.
- **Counseling:** The University will also arrange face to face, radio and telephonic counseling. The details relating to PCP and counseling will be announced on the University website at an appropriate time.

- a. **Contact Programme:** The personal contact programme covers the counselling sessions, workshops, seminar presentations, preparation for teaching practice (internship) etc., Counseling and other activities are held at Learner Support Centres convenient to the learners.
- b. **Academic Counseling:** Academic counseling sessions will be spread over the entire duration of the programme. The academic and personal problems related to the course shall be discussed in the counselling sessions. The counselling sessions shall be utilized for providing personalized guidance to the learners regarding content difficulty, fieldwork, teaching practice, projects, assignments, dissertation, time management, study skills, etc. A minimum of 144 study hours spread over two years shall be devoted to the counseling sessions. The detail of Academic Counseling is depicted in the academic programme calendar (see page no. 11). The counseling sessions shall be organized in the form of tutorials and not as teaching sessions as the learning materials provided to the learners shall perform the teaching function (as per NCTE).
- c. **Workshops:** In the workshops, the learners will acquire competencies and skills required by a teacher or teacher educator. Therefore, they will be engaged in certain activities as individuals or in groups. The study Centres shall also make arrangement for practice teaching in classrooms and on simulated situations. The learners shall also be provided training in the preparation and use of ICT by involving them in the preparation of teaching aids, research tools, worksheets, course units, assignment, and assessment rubrics. The learners will be given sufficient opportunities to practice what they have learnt from the theory courses and what they are supposed to do in the classrooms. There will be two workshops (one year each) of 6 days' duration each.
- d. **School-based Activities:** The learners pursuing B.Ed. programme through the ODL system will be involved in the activities, in which a candidate/teacher is supposed to perform in the school by way of hands on experience. The learners will interact with faculty members i.e. senior and experienced teacher/principal/faculty of the school/college where the learner is working, to work on school- based activities. Thus a learner is supervised/ guided by the mentor for a minimum of 15 study hours.
- e. **Teaching Practice:** A learner enrolled in the B.Ed. programme goes through a teaching practice for three months, in the school where he/she works, under supervision of senior teacher/academic counsellor. Each lesson is guided, supervised, assessed and feedback given by the academic counsellor. The learner is provided constructive feedback on his/her performance (strengths and weakness) by the supervisors/teacher educators. Thus, learner discusses with supervisors/teacher educators on the preparation of the lesson plans, delivery of lessons and feedback on the lessons delivered. c. National Academic Depository Cell

National Academic Depository (NAD) is an online store house of academic awards (Degrees, Diplomas, Mark Sheets etc.,) lodged by the boards/ academic institutions/ eligibility assessment bodies in a digital format that has been launched on 9th July, 2017 by Hon’ble President of India. It is a 24x7 online mode for making available academic awards and helps in validating its authenticity, safe storage and easy retrieval. University has established NAD cell to carry out the activities in this regard. Students shall register to the NAD.

d. National Digital Library

The National Digital library of India (NDL) is a project under Ministry of Human Resource Development, India. The objective is to integrate several national and international digital libraries in one single web-portal. The NDL provides free access to many books in English and the Indian languages. Hence, students are advised to join National Digital Library at <https://ndl.iitkgp.ac.in/> to access more than 80 lakh digital resources without any cost.
