VICE-CHANCELLOR'S MESSAGE

Dear Learner,

It gives me immense pleasure to welcome you to Karnataka State Open University (KSOU), a university committed to making quality higher education accessible, inclusive, and transformative. By choosing KSOU, you have become part of a vibrant academic community that believes education has the power to enrich lives, strengthen society, and build a better future.

Higher education today extends far beyond earning a degree. It is about developing knowledge, critical thinking, creativity, ethical values, professional competence, and the confidence to adapt to an ever-changing world. At KSOU, we are committed to nurturing these qualities through flexible, learner-centric, and technology-enabled education.

Open and Distance Learning has evolved into one of the most effective modes of education, providing opportunities for learners from diverse backgrounds irrespective of age, profession, location, or personal circumstances. Whether you are pursuing higher education, upgrading your professional skills, or fulfilling your lifelong dream of learning, KSOU stands beside you throughout your academic journey.

Our University offers a wide range of programmes across the disciplines of Humanities, Social Sciences, Commerce, Management, Education, Sciences, Technology, and emerging interdisciplinary areas. These programmes are carefully designed to meet contemporary academic standards and the evolving needs of society, industry, governance, and the global knowledge economy.

At KSOU, learning extends beyond printed study materials. We integrate digital technologies, online learning resources, multimedia content, virtual academic support, learner services, and interactive platforms to create a rich and engaging learning experience. As educational technologies continue to evolve, the University remains committed to adopting innovative approaches that enhance accessibility, flexibility, and academic excellence.

Our dedicated faculty members, academic counsellors, researchers, and administrative staff work together to ensure that every learner receives quality guidance, academic support, and opportunities for intellectual and personal growth. Our extensive network of Regional Centres and Learner Support Centres across Karnataka enables us to remain connected with learners wherever they may be.

The degrees, diplomas, and certificates awarded by KSOU are recognized in accordance with the regulations of the statutory authorities governing higher education in India. They open pathways to employment, higher education, professional advancement, research, entrepreneurship, and lifelong learning.

As we move forward in an era shaped by digital transformation, artificial intelligence, sustainability, and global interconnectedness, continuous learning has become the key to personal and professional success. I encourage you to embrace curiosity, innovation, integrity, and social responsibility as guiding principles throughout your educational journey.

At KSOU, our vision is not merely to educate but to empower. We aspire to create responsible citizens, skilled professionals, thoughtful leaders, and lifelong learners who contribute meaningfully to society and the nation.

I invite you to make the best use of the opportunities available at the University. Participate actively in academic activities, engage with your teachers and peers, develop new skills, and pursue excellence with dedication and determination.

I wish you every success in your studies and look forward to witnessing your achievements. Together, let us build a future founded on knowledge, innovation, compassion, and service.

With my best wishes for a rewarding and fulfilling academic journey.

ABOUT THE UNIVERSITY

Karnataka State Open University is recognized by the University Grants Commission under (Open and Distance Learning) and Online Regulation 2020

The University was established in June 1996 with a vision “**Higher Education to Everyone, Everywhere**”. The University blossomed in the era of globalization in which the economies of the world are being transformed from their original closed self-sustaining structure to the globalized context, where they can expose themselves to the competitive world. This transition ushered in new changes in the arena of knowledge emphasising application besides accumulation of facts. The Karnataka State Open University in order to cope with the present global environment, is attempting to integrate interdisciplinary approaches in the dissemination of knowledge with the aim of achieving overall human personality development.

Mysuru is a historical centre possessing a rich cultural heritage which had valiant historical events of different kingdoms and humane social setup of incomparable stature. The University has paved the way for realizing its vision at the international arena leading to human welfare. It was started during the year 1996 as its separate entity to cater to the needs of thousands of young aspirants of higher education.

The KSOU is situated at the heart of Mysuru city, The University operates in 50 Acre of land in a fully green ambience. The University is offering UG, PG and Ph.D. programs besides diploma and PG certificate programs in various disciplines. The University is fully equipped with 28 academic departments controlled by the chairpersons and supported by other faculty and non teaching staff. The University is offering various degrees and diploma programme in Humanities, Social Science, Science, Commerce and Management. The KSOU is carved out mainly with an intention of promoting unprivileged group of society and hence the fees for all the courses are at affordable rate.

Special Features: The Open Distance Learning system is a unique and challenging because, the learners joining Open Distance Learning come from a diverse socio-economic background and with a varied learning background. The present conventional university system could not meet the genuine needs of such students who could not pursue their studies in a conventional university for various reasons. In order to give them an opportunity to pursue their studies in Open - Distance Learning, this University has been established. The major objective of the University is to generate human resources of top quality laying more emphasis on the following issues:

- (1) To transform guiding vision into action plan through various measures.
- (2) To generate high quality human resources through skill training.
- (3) To provide opportunities to those who discontinued their studies.
- (4) To encourage the working class to acquire higher knowledge.
- (5) To facilitate the opportunities to pursue higher education at their own places.
- (6) To provide transparent manner of admission.
- (7) To transform restricted learning to a global-based learning.
- (8) To promote new concept and new direction in higher education.
- (9) To foster multiple imperatives to achieve the national development.
- (10) To play critical role in addressing social imperatives.
- (11) To build innate capacity by creating adequate student – support services.

Credit System for the Programmes

The University follows the '**Credit System**' for all its Programmes. Each credit is of 30 hours of study comprising of all learning activities such as studying the self-learning material, participating in the counseling/contact classes, preparing assignment, visiting library/ industry/ institution, interacting through audio-visual related mode and preparing for exams. Thus, a four credit course involves 120 study hours, a six credit course involves 180 study hours and so on. This helps the students to understand the academic efforts she/ he will have to put in order to successfully complete the programme.

Maximum Period for Completion of Programme

Normally, the Candidate is expected to complete the programme within the minimum period as laid down by the University for a Specific Program. However, a student who, for whatever reasons is not able to complete the program within the normal or minimum duration prescribed for the program may be allowed a period of two years beyond the normal period to clear the backlog to be qualified for the degree. The general formula therefore is N+N years (N= Normal / minimum duration prescribed for completion of the program) and will be revised from time to time as per the UGC norms.

8. Choice Based Credit System (CBCS)

Choice based credit system (CBCS) is an internationally acknowledged system. Therefore the entire higher education in India is transforming itself to this uniform grading system. The CBCS provides an opportunity for the students to choose courses from the prescribed courses comprising core, elective/minor or skill based courses. The courses can be evaluated following the grading system, which is considered to be better than the conventional marks system. . This will benefit the students to move across institutions within India to begin with and across countries.

The uniform grading system will also enable potential employers in assessing the performance of the candidates. In order to bring uniformity in evaluation system and computation of the Cumulative Grade Point Average (CGPA) based on student's performance in examinations, the University Grants Commission has formulated the guidelines to be followed.

The choice based credit system not only offers opportunities and avenues to learn core subjects but also exploring additional avenues of learning beyond the core subjects for holistic development of an individual. The CBCS will undoubtedly facilitate us bench mark our courses with best international academic practices.

Advantages of the choice based credit system:

- Shift in focus from the teacher-centric to student-centric education.
- Student may undertake as many credits as they can cope with (without repeating all courses in a given semester if they fail in one/more courses).
- CBCS allows students to choose inter-disciplinary, intra-disciplinary courses, skill oriented papers (even from other disciplines according to their learning needs, interests and aptitude) and more flexibility for students).
- CBCS makes education broad-based and at par with global standards. One can take credits by combining unique combinations. For example, Physics with Economics, Microbiology with Chemistry or Environment Science etc.
- CBCS offers flexibility for students to study at different times and at different institutions to complete one course (ease mobility of students). Credits earned at one institution can be transferred.

Outline of Choice Based Credit System:

1. Core Course: A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course.

2. Elective Course: Generally a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.

2.1 Discipline Specific Elective (DSE) Course: Elective courses may be offered by the main discipline/subject of study is referred to as Discipline Specific Elective.

2.2 Dissertation/Project: An elective course designed to acquire special/advanced knowledge, such as supplement study/support study to a project work, and a candidate studies such a course on his own with an advisory support by a teacher/faculty member is called dissertation/project.

2.3 Generic Elective (GE) Course: An elective course chosen generally from an unrelated discipline/subject, with an intention to seek exposure is called a Generic Elective.

P.S.: A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice versa and such electives may also be referred to as Generic Elective.

3. Ability Enhancement Courses (AEC): The Ability Enhancement (AE) Courses may be of two kinds: Ability Enhancement Compulsory Courses (AECC) and Skill Enhancement Courses (SEC). "AECC" courses are the courses based upon the content that leads to Knowledge enhancement; i. Environmental Science and ii. English/MIL Communication. These are mandatory for all disciplines. SEC courses are value-based and/or skill-based and are aimed at providing hands-on-training, competencies, skills, etc. 3.1 Ability Enhancement Compulsory Courses (AECC): Environmental Science, English Communication/MIL Communication. 3.2 Skill Enhancement Courses (SEC): These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge. □ Introducing Research Component in Under-Graduate Courses Project work/Dissertation is considered as a special course involving application of knowledge in solving / analyzing /exploring a real life situation / difficult problem. A Project/Dissertation work would be of 6 credits. A Project/Dissertation work may be given in lieu of a discipline specific elective paper.

9. MCA Programme

A.Duration: 2 Years (4 semesters)

1. The duration of this curricular program is of "**TWO years**" and the maximum duration is of "**FOUR Years**" (2+2 years) from the year of admission. The student who fails to complete the program within "**FOUR Years**" shall seek admission afresh.

2. A student who wishes to take up examination after the expiry of the afore mentioned time limit shall write application to The Registrar (Evaluation), Karnataka State Open University, Mukthagangothri, Mysuru-570006, Karnataka, India. The University may accord permission to conduct examination for the prevailing syllabus of the relevant year.

10. Instructional Delivery System

The instructional methodology used in this University is different from that of conventional Universities. The Open University system is more learners oriented, and is geared to cater to the needs of motivated students, assuming that the student is an active participant in the teaching-learning process. The University follows multi-channel approach for instruction. Instruction to student is imparted through various modes such as print, audio/video and supported by counseling face to face, electronic mode etc. MCA Programme has blending of both personal contact programme and counseling. The theory and practical classes will be arranged as per the specifications of UGC-ODL & OL Regulations 2020, at the KSOU headquarter/ recognized study centers. The students shall compulsorily attend practical classes and reap the benefit of requisite skills.

- Self-Learning Material (SLM):** The Study material prepared by highly experienced academicians/subject experts will be part of instructional delivery. The study material is learner centric with illustrations, case studies, experience etc., and will help you acquire knowledge and skill.

- b. **Personal Contact Programme (PCP):** The PCP will be arranged by the university at the notified center. Dedicated faculty will be pressed into action to render quality services.
- c. **Counseling:** The University will arrange counseling by way face to face and electronic mode. The details relating to PCP and counseling will be uploaded to the University website at appropriate time.

i. Self-Learning Material and its Delivery

1. The Study Materials has been designed keeping in view of the norms prescribed by the UGC. Study Materials are divided into different blocks. The self-learning material has been designed in the background of learners assessment of study level. It is a primary source of information for pursuing various degrees. The self-learning materials will be delivered at the time of admissions.
2. For the students who have not received the Study Material in person, the University will dispatch. If returned or undelivered to the addressee, the study material will be sent to such students later, on the condition that the student should bear the postal charges. Such addresses are updated in the KSOU website (www.ksoumysuru.ac.in).
3. The University has introduced a system of evaluation of self-learning material by the students. For this purpose a feedback will be sent along with the self-learning material. Every learner shall submit the feedback on quality content of self-learning material as per the instructions and send it to concerned Regional Director.

ii. AUDIO-VIDEO STUDIO PROGRAMS

"Our Karnataka State Open University has its own studio called Visual Studio, dedicated to providing a wide range of online and digital learning experiences for all its students. The aim is to transform all courses into an attractive visual medium, making learning both easy and appealing. Simultaneously, it turns studying into an entertaining task rather than a boring one, achieved through eye-catching visuals, soothing background music, enticing text styles, and a mind-inducing format.

For this purpose, the studio is equipped with advanced technology, including a large spacious Green matte floor, high-quality cameras, editing suites with top-of-the-line Apple systems, and all the necessary CG and Photoshop software. The studio is staffed by talented and creative individuals who operate and handle the cameras and software efficiently.

The KSOU Studio strives to produce excellent digital content daily, covering various subjects such as science, technology, management, arts, history, etc. All this content is available on our "KSOU DHRUSHYAVAHINI" YouTube channel. To date, the studio has produced around 500 pieces of content, all of which have been watched and appreciated by university students for their appealing quality.

In addition to course content, the studio makes an effort to communicate university seminars, programs, and events by capturing and uploading them to various digital platforms. Short videos of these programs are displayed on the university's signboards and other platforms to disseminate information rapidly.

As times change and trends evolve, education must also adapt its teaching methods and techniques. In this regard, our Karnataka State Open University's Visual Studio is a step ahead, consistently adopting new technologies effectively. This positions the university as strong and

innovative in the field of education. The studio operates with its own vision, mission, ethics, and a strong work culture to reach its desired goals."

For more information, please contact Siddegowda B, Producer, Visual Studio Department.
ph: 9945616423.

iii. Contact Programme

The University will arrange personal contact programme for M.A/M.Com Programmes. The PCP will be held in notified centers. The details relating to the duration, dates, and centers will be intimated to the students by circular or through website. Experienced faculty of the university and the academic counselors will deliver lectures on the syllabus. Further, any clarifications on Self Learning Material will be addressed besides offering proper advice on assignment writing and also examination. Students are advised to attend the programme and reap the benefits.

The University has introduced a transparent mechanism of evaluation system of teachers by learners. The prescribed format will be administered by Learner Support Centres. The learners shall fill the form as per instructions and forward it to the concerned Regional Director.

12. Evaluation

Evaluation system comprises of:

- i. Internal assessment (IA) with a weightage of 20 marks.
- ii. Term-end examination with a weightage of 80 marks.

- i. **Grade and Credit Points** are computed for each course considering the marks secured and the credits earned in each course. **Grade Points** shall be computed as per table shown below. **Credit Points** are determined by multiplying the Grade Points in each course by the credits of that course. Both the Grade Points and Credit Points shall be computed for each course in each semester.

Grade Point Average (GPA) shall be computed and given to each candidate based on his/her semester performance. This shall be determined by dividing the sum of credit points earned by the student in all the courses of a semester by the total number of credits for which the candidate has taken examination in that semester,

Cumulative Grade Point Average (CGPA) is computed for the whole academic programme considering the aggregate of Credit Points of all the semesters earned by the student and dividing this sum by the total credits of all the semesters,

Classification of Successful Candidates:

The results of successful candidates at the end of each semester shall be declared on the basis of Percentage of Aggregate Marks and in terms of Semester Grade Point Average (SGPA) and Eight Point Alpha – Sign Grading Scale. The results at the end of the fourth semester shall also be classified on the basis of Percentage of Aggregate Marks and on the basis of the Cumulative Grade Point Average (CGPA) obtained in all the four semesters and the corresponding overall alpha – sign grade. An eight point grading system, alpha – sign grade as described in Tables below shall be adopted. The Semester Grade Point Average (GPA) in a Semester and the Cumulative Grade Point Average (CGPA) at the end of the fourth semester shall be computed as follows:

Computation of Semester Grade Point Average (SGPA):

The grade points (GP) in a course shall be assigned based on the basis of actual marks scored in that course as per the Table below. The Credit Points (CP) shall then be calculated as the product of the grade points earned in the course and the credits assigned for the course. The

total CP for a semester is obtained by adding the CP of all the courses of the semester. The SGPA for a semester is computed by dividing the total CP of all the courses of study by the total credits for the semester.

Calculation of Cumulative Grade Point Average (CGPA):

The Cumulative Grade Point Average (CGPA) at the end of the fourth semester shall be calculated as the weighted average of the semester grade point averages (SGPA). The CGPA is obtained by dividing the total of semester credit weightages by the maximum credits for the programme.

21. Quality Initiatives

In an endeavor to step up the quality of services rendered by the university, Centre for Internal Quality Assurance has been constituted as per the UGC order.

National Mission on Education through Information and Communication Technology (NMEICT).

The National Mission on Education through Information and Communication Technology (NMEICT) has been envisaged as a Centrally Sponsored Scheme to leverage the potential of ICT, in teaching and learning process for the benefit of all the learners in Higher Education Institutions in any time anywhere mode. This was expected to be a major intervention in enhancing the Gross Enrolment Ratio (GER) in Higher Education by 5 percentage points during the XI Five Year Plan period.

The three cardinal principles of Education Policy viz., access, equity and quality could be served well by providing connectivity to all colleges and universities, providing low cost and affordable access-cum-computing devices to students and teachers and providing high quality e-content free of cost to all learners in the country. NMEICT encompasses all the three

elements. The Mission has two major components:

1. Providing connectivity, along with provision for access devices, to institutions and learners;
2. Content generation.

It seeks to bridge the digital divide, i.e. the gap in the skills to use computing devices for the purpose of teaching and learning among urban and rural teachers/learners in Higher Education domain and empower those, who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy. It plans to focus on appropriate pedagogy for e-learning, providing facility of performing experiments through virtual laboratories, on-line testing and certification, on-line availability of teachers to guide and mentor learners, utilization of available Education Satellite (EduSAT) and Direct to Home platforms, training and empowerment of teachers to effectively use the new method of teaching learning etc.

Karnataka State Open University (KSOU) has adopted National Mission on Education through Information and Communication Technology (NMEICT) a flagship initiative of Ministry of Human Resource Development aims to leverage the potential of Information and Communication Technology (ICT) in teaching and learning process by high quality, personalized and interactive knowledge modules over the internet for all the learners (EIs) in anytime, anywhere mode. The Karnataka State Open University has created separate cell for the NMEICT and Virtual Labs. Adopted ICT initiatives of are as follows:

1. SWAYAM: Massive Open Online Courses
2. SWAYAMPRAKHA: View digital courses on TV
3. National Digital Library: e-content
4. e-PG Pathshala: Gateway for e-books upto PG
5. Shodhganga: A reservoir of Indian Theses
6. e-ShodhSindhu: e-journals
7. e-Yantra: Engineering for better tomorrow
8. FOSSEE: Free/Libre and Open Source Software for Education
9. Virtual Labs: Web-enabled experiments designed for remote – operation
10. University Enterprise Resource Planning (SAMARTH)
11. VIDWAN: Expert Database and National Research Network
12. IRINS: Indian Research Information Network System
13. Shodh Shudhhi (PDS): Plagiarism Detection Software

SWAYAMPRAKHA:

SWAYAM Prakha is an initiative of the Ministry of Human Resources Development to provide 32 High Quality Educational Channels through DTH (Direct to Home) across the length and breadth of the country on 24X7 basis. It has curriculum-based course content covering diverse disciplines. This is primarily aimed at making quality learning resources accessible to remote areas where internet availability is still a challenge. The DTH channels are using the GSAT-15 satellite for programme telecasts. Karnataka State Open University has provided Opportunity to access relevant channels in the Cauvery Auditorium for the benefits of learners during their stay in the personal Contact Programme.

VIRTUAL LABS:

Virtual Labs will provide to the students the result of an experiment by one of the following methods (or possibly a combination). Modelling the physical phenomenon by a set of equations and carrying out simulations to yield the result of the particular experiment. This can at-the-best, provide an approximate version of the ‘real-world’ experiment. Providing measured data for virtual lab experiments corresponding to the data previously obtained by measurements on an actual system. Remotely triggering an experiment in an actual lab and

providing the student the result of the experiment through the computer interface. This would entail carrying out the actual lab experiment remotely. Virtual Labs will be made more effective and realistic by providing additional inputs to the students like accompanying audio and video streaming of an actual lab experiment and equipment. For the 'touch and feel' part, the students can possibly visit an actual laboratory for a short duration.

Karnataka State Open University has recognized Nodal Center for Virtual Labs under the leadership of National Institute of Technology, Surathkal and established well equipped V Labs Nodal Center at Science Bhavan which can cater the needs of KSOU learners of to access the experiments developed by NITK.

E-CONTENT DEVELOPMENT:

The UGC e-Content scheme aims at developing high quality e-Content, as well as expertise for generating such content over the long term. The scheme provides financial assistance and technical support to teachers and other experts based in colleges and universities for the development of e-Content. The e-Content development and the associated web based learning described here do not seek to replace traditional teaching and learning, but are expected to supplement them. The inclusion of e-Content in learning is now inevitable and the UGC initiative is designed to meet the new challenges, and to help India take the lead in this newly emerging field. The **Karnataka State Open University** has initiated development of e-content proposal under the NMEICT.

Centre for Internal Quality Assurance (CIQA):

KSOU has established the Centre for Internal Quality Assurance (CIQA) as per UGC Open & Distance Learning Regulations 2017 to maintain quality in the service provided to the stakeholders and to assure quality standards are maintained in all its academic and administrative activities. The committee for CIQA interacts with the stakeholders and initiates various measures to promote quality of services at every stage i.e. from the enrolment of students till they accomplish their goals in their academic pursuit.

Research and Development Cell

The Karnataka State Open University has established Research and Development cell in the University to promote quality research and academic development. The cell is actively engaged in enhancing the researches in the university. It provides academic support to the faculty members research scholars and students of the university in writing articles and publishing. Further it also encourages the departments to conduct workshops, seminars and conferences.

Planning, Monitoring and Evaluation Board Cell (PMEB):

The Karnataka State Open University has established planning, Monitoring and Evaluation Board (PMEB), PMEB is an Administrative wing under the agency of CIQA of the Karnataka State Open University. It is established in 2022, mainly to check out academic planning & monitoring the research initiatives besides scholarship management PMEB is furnishing all planning, Monitoring and evaluation of academic initiative programmes of the university

22. Information and Guidance Cell

Relevant information on issues like programmes offered by the University, admissions, study materials, contact program, examinations, results, marks cards, certificates, hostel facility etc. will be provided to the students who visit the University. '**Public Relation Officers**' will be present in the '**Information and Guidance Cell**' situated near the main entrance of the admission block. Students can contact them either in-person or through phone and obtain required information. The contact numbers are **98453-63573** and Admission Block **94494- 89749**.

Guidance and Counseling:

The student career is a complex and sensitive matter. Students of the twenty first century are facing new challenges and difficult situations. There is dire need to guide and counseling them in different areas. It may be academic, skill development, career oriented, life skills, placement, higher studies, and others. The University has established full-fledged guidance and Counseling Cell to assist the students.

Interactive Platform:

The University is initiating action to utilize the advantage of information and technology development to meet the learners' needs. KSOU has developed a user-friendly and easy to navigate website which is very informative and students can access all relevant information from the regularly updated website. In addition, a student app KSOU Student app is also developed which can be accessed through the cell phones, which provides all necessary information to the students at the right time. A well designed online interactive platform KSOU Connect is developed for the delivery of online classes and other meetings. Virtual class rooms and laboratories have been created.

Learners Welfare Centre

Learners support services are the most vital component of the university. It includes wide range of academic, evaluation, extension and other related activities. The support services should not only be responsive to the needs of the distance learners but also proactive. Hence, the University established Learner Welfare Centre to explicitly address the needs and grievances of the learners besides advising and guiding the learners who come with prospective enquiry about the academic programmes. Learners' welfare shall be ensured by facilitating mechanisms like academic counselling, attending to queries, timely information, grievance-redressal and rewarding meritorious students. The University has created a better academic ambience for the learners who enjoy the academic experience which in turn enable them to be university ambassadors for its wellbeing. Following are the different forms of support extended to Learners:

1. *Prospective Students Support*
2. *Existing Students Support*
3. *Alumni Students Support*
4. *Grievance Redressal Support*

The centre is headed by the coordinator of the centre who is assisted by Assistant Registrar and other administrative staff. The Centre is entrusted with the responsibility of correspondence between the University Grants Commission, the University and Stakeholders. Following are the Students with grievances and seeking information about academic programmes offered by the University and other aspects are advised to call the helpline-**+91-8690544544** monitored by Learner Welfare Centre and also through e-mail: ksoulwc@gmail.com and contactus.ksou@gmail.com

Alumni Association

There is a registered Alumni Association that contributes significantly to the development of the institution through financial and or other support services.

History:

Karnataka State Open University Alumni Association (KSOUAA) was registered as an association under Karnataka societies registration act 1960 under the name Karnataka State Open University Alumni Association with Regn No:DRMY/SOR/82/2020-21 dated 23.07.2020.

The Objectives of KSOUAA are:

Bring the old students of Karnataka State Open University, Mysuru under one forum for exchange of experience and dissemination of knowledge amongst its members and also for the furtherance of fellowship, advancement of knowledge in general of the members of the Association and the country in general.

- To conduct seminars, conferences, workshops, placement activities, endowment lectures and other academic activities and also to keep in touch with one another of the University faculty, administrators and students.
- To create and establish Alumni endowments for granting scholarships, prizes and medals to the students showing high proficiency in their studies and honour former students of the University.
- To advocate and contribute the cause of ODL with the Universities and Associations of other academic institutions relating to promotion of higher education, training and management systems and open learning thereby promote the welfare and status of the University.
- To collect funds by subscriptions, contributions, donations and gifts from members, non-members, Governments, Universities and other institutions and philanthropists for achievement of the above objectives.
- To render financial aid to deserving poor students studying at the University.
- To render financial aid to deserving alumni under the distressed situations.
- To publish Journals, magazines, souvenirs and newsletters with regards to the activities of the University and its Alumni.
- To organize cultural and educational programmes and also to conduct Alumni Day celebrations every year.
- To help the Alumni to get advice from the University on various technical problems they may come across in their official work and in real life and also with regard to job opportunities.
- To carry out such other activities as may be necessary for implementation of the above aims and objectives.

Prasaranga (Department of University Publications)

Prasaranga, the publication wing of the Karnataka State Open University is a unique organization that was established in the year 2008 for the purpose of publications and extension activities. Till date, Prasaranga has published numerous books and research publications which are well received from academicians and students. In 2021, Prasaranga is registered with [Raja Rammohun Roy National Agency to obtain ISBN](#) series for future publications. Prof D.K Rajendra was the first Director (2008-2013), followed by Dr.Tejaswi Navilooru (2009-2020), and Dr.Santhosh Naik R (since 2020) is the present Director/coordinator.

(A) Vision

- To bring quality publications to enhance the knowledge universe.
- To encourage writers, authors and researchers to create valuable content in English and Kannada languages.

(B) Mission

The aim of any university is to create and share knowledge. A university publication wing is an essential part of the mission of sharing and promoting knowledge to a wider audience. We are focused towards quality publication which is not covered exhaustively by other publishers.

(C) Future Plans

- To bring an interdisciplinary journal with scholarly publication containing articles written by researchers, professors and other experts.
- Digitization of all books.
- Publishing textbooks in different subjects.
- Promoting young writers in Kannada with a special emphasis on writing books in area of Social Science, Science and Technology, Management and such other professional fields.
- To create an online platform for books
- Reprinting of all books that are of great value and in demand.

23. Other Information

Change of Address

If the address given by the student at the time of admission is changed, he/she should write a letter about the change of address to **The Deputy Registrar (Admission), KSOU, Mysuru**. The student should confirm, from the concerned officer, whether the change of address has been entered in the Admission Register or not. It is very important because the study materials, information and application forms etc. sent to the student from time to time, can reach the student only if the address given is correct.

Change of Name

Students are required to submit the following documents to The Deputy Registrar (General) in order to change their names while pursuing their courses:

- Requisition letter for Change of Name.
- Photo Copy of the Judgment (Decree) from the court, containing the declaration of change of name.
- Two stamp size recent photographs
- Fee paid details of SBI
- Attested Photo copy of the SSLC Marks Card / Cumulative Record.
- Attested Photo copy of the PUC Marks Card.
- Attested Photo copy of the Student I.D. Card.
- Attested photo copy of Admission fees details
- Advertised copy of News Paper.

The changed name will come into effect after University Notification.

Duplicate/ Renewal of Identity Card

If the original Identity Card is lost, students are required to pay a fee of Rs.300/- through SBI. The following records have to be submitted in order to obtain duplicate Identity Card:

- a. Student should write a letter to the Deputy Registrar (Admission), KSOU, Mysuru-6.
- b. A photocopy of previous Identity card (if available), Attested copy of marks card, photo and attested photo proof of Aadhaar Card, office copy of the fee paid details should be enclosed.
- c. The University will issue the Identity Card to the students admitted for first year B.A/B.Com/B.Lib.Sc/M.Lib.Sc/M.A/M.Com/M.Sc/MCA degree programme. The students admitted to Second year/Final year of B.A/B.Com/M.A/M.Com/M.Sc/MCA

Degree programme shall preserve the Identity Card and fee paid details of admission and examination.

- d. During the examination students shall invariably produce the Identity Card along with fee paid details of admission and examination to the invigilator. The University shall not be held responsible if students are denied permission to write the examination due to non-production of the above mentioned documents.

Letter Correspondence

The students may contact **the concerned officer by phone /e-mail/ letter/online mode through website/app** to get necessary clarification and information during their study period. On such occasions students should mention their name, address, enrollment number, subject of study, medium of instruction and **Phone/ Mobile Number** without fail. This will help to solve the problems quickly. It is mandatory on the part of students to reply to the letters sent by the University on matters pertaining to admission, non- remittance of prescribed fee, study material, written assignments, exam, exam results etc. If students do not respond to the University letters on time in matters mentioned above, the problems cannot be solved quickly for which the University will be not be held responsible.

24. Digital Initiatives for Higher Education – UGC

a. Swayam

The University will launch a few programmes online as per the directives of UGC / MHRD. For this purpose University has procured DD Free Dish and installed for accessing SWAYAM Prabha Channels. These channels will be used by the teachers while teaching the courses to have a blended learning process mainly to improve the quality of learning.

b. Digital Monitoring Cell

University has established “Digital Monitoring Cell” to review the current use of digital resources and also periodical suggestions will be given to enhance their utilization further.

c. National Academic Depository Cell

National Academic Depository (NAD) is an online store house of academic awards (degrees, diplomas, mark sheets etc.,) lodged by the boards/ academic institutions/ eligibility assessment bodies in a digital format that has been launched on 9th July, 2017 by Hon’ble President of India. It is a 24x7 online mode for making available academic awards and helps in validating its authenticity, safe storage and easy retrieval. University has established NAD cell to carry out the activities in this regard. Students shall register to the NAD.

d. National Digital Library

The National Digital library of India (NDL) is a project under Ministry of Human Resource Development, India. The objective is to integrate several national and international digital libraries in one single web-portal. The NDL provides free access to many books in English and the Indian languages. Hence, students are advised to join National Digital Library at <https://ndl.iitkgp.ac.in/> to access more than 80 lakh digital resources without any cost.

e. Massive Open Online Courses (MOOCs)

The University Grants Commission, under the ambit of MHRD, has facilitated the Open Universities to conduct short term programme online. The candidates may visit the website of KSOU / UGC to avail the benefits of such MOOCs.

National Academic Depository (NAD)

WHAT IS NAD?

The vision of National Academic Depository (NAD) is born out of an initiative to provide an online store house of all academic awards. National Academic Depository (NAD) is a 24X7 online store house of all academic awards viz. certificates, diplomas, degrees, mark-sheets etc. duly digitised and lodged by academic institutions / boards / eligibility assessment bodies. NAD not only ensures easy access to and retrieval of an academic award but also validates and guarantees its authenticity and safe storage.

How to register on NAD?

The users of the NAD system are free to select Digilocker is a sole depository for NAD. (The users should select Digilocker is the preferred depository to register into NAD. The user may click on the link <https://nad.digitallocker.gov.in> which shall re-direct them to the depository's website. Further details relating to the registration process is available on the website.)

Step 1: Login to DigiLocker:

The image displays three sequential screenshots of the DigiLocker web interface. The first screenshot shows the 'Sign In to your account!' page with a 'Mobile/Aadhaar' button, a 'Username' field, and a 'Sign In' button. The second screenshot shows the 'Verify OTP' page with a text box for the OTP and a 'Submit' button. The third screenshot shows the 'Creating account is fast and easy!' page with fields for 'Full Name*', 'Date of Birth*', 'Mobile Number*', 'Set 6 digit security PIN*', and 'Email ID', followed by a 'Submit' button.

First of all, login to your DigiLocker Account. If you have not sign up in DigiLocker, create it now and then login there (You can visit www.nad.gov.in or nad.digitallocker.gov.in and then click Student on the menu bar. The page gets redirected to the student page and then register themselves by using their Aadhaar ID or Mobile Number)

A Separate cell has been created in KSOU. Dr Shalvapille Iyengar is the Co-ordinator of NAD/ABC cell and His Phone Number: 09686215043

While Creating Digilocker or ABC account contact Technical Staff if you find any difficulties feel free to contact. The Technical Assistant is Sri. Mallesh M – 08105261434

What is ABC?

"Academic Bank of Credits" means an academic service mechanism as a digital/virtual/online entity established by University Grants Commission to facilitate students to become its academic accounts holder, thereby paving the way for seamless students' mobility between or within degree granting HEIs through a formal systems of credit recognition, credit accumulation, credit transfer and credit redemption to promote distributed and flexible teaching learning.

How to Create ABC ID?

It is mandatory to create an account on ABC platform and generate ABC ID for University Admission in 2023.

Follow these simple steps to create your ABC ID from official site:

Step 1: Login to DigiLocker:

First of all, login to your DigiLocker Account. If you have not sign up in DigiLocker, create it now and then login there (You can visit www.nad.gov.in or nad.digitallocker.gov.in and then click Student on the menu bar. The page gets redirected to the student page and then register themselves by using their Aadhaar ID or Mobile Number)

Step 2: Search for Education:

After login, you search for Education category which shows Academic Bank of Credits service.

Step 3: Create ABC ID:

Finally, select your University and click on Generate ABC ID.

Read here: <https://www.aubsp.com/abc-id/> for more detail.

A Separate cell has been created in KSOU. Dr Shalvapille Iyengar is the Co-ordinator of NAD/ABC cell and His Phone Number: 09686215043
