

MEMORANDUM OF UNDERSTANDING

BETWEEN

Karnataka State Open University,

Mysuru

AND

PLANSEE INDIA HIGH PERFORMANCE MATERIALS PVT. LTD. MYSORE

KARNATAKA STATE OPEN UNIVERSITY

Karnataka State Open University (KSOU), Located in Mysuru, Karnataka, INDIA has been continuously providing quality distance education in the field of Arts, Social Science, Commerce, Management and Science in Karnataka for 25years and more. In its quest for excellence, Karnataka State Open University has taken a number of important initiatives. The University has been recognized by UGC, AICTE and NCTE. Presently KSOU is the exclusive public University to impart distance education in Karnataka. The Institute has excellent laboratory facilities and is well equipped to undertake live project and in-service career development work of working professionals. The University offers graduate, Post Graduate and PhD Programmes in various disciplines.

Plansee India High Performance Materials Pvt. Ltd, based in Mysore, Karnataka is a Group Company of **PLANSEE SE** with Head Quarters in Reutte Austria. It manufactures Tungsten and Molybdenum fine wires, formed products and machined components for global market.

This **Memorandum** establishes the scope for collaboration between Karnataka State Open University, **Mysuru** and Plansee India High Performance Materials Pvt. Ltd. Mysore in the following areas: -

Karnataka State Open University, **Mysuru** , hereby agrees to provide: -

1. Executive development programs to train the first and middle management levels, on topics related to finance, human resources, organizational behaviour, business communication and life skills and Quality Management Systems etc. as per industry requirement.
2. Facility for logistic, human resource and infrastructure to hold Seminar/workshops and campus recruitment drives.
3. Consultancy through its qualified and experienced faculty to run and execute technical projects.

Plansee India High Performance Materials Pvt. Ltd. Mysore agrees to provide: -

1. Provide Project and internship opportunities to Students of KSOU in the field of Management and Science programmes.
2. Prepare and carry out joint research projects in the mutual interest areas.
3. Whenever Plansee India High Performance Materials Pvt. Ltd. Mysore required consultancy and expertise to develop new technology or any other technical support, they will prefer KSOU, Mysuru.
4. Resource person to provide practical insight in the field concerned
5. Industrial Visit to the students

To accomplish these objectives, the partners will meet at least once in six months for the purpose of mutual exchange of ideas and explore new dimensions for collaborations. Both the organizations will nominate one Nodal Officer to coordinate the activities.

This MOU is at will and non-exclusive and may be modified with the mutual consent of the authorized signatories of Karnataka State Open University, **Mysuru**, Plansee India High Performance Materials Pvt. Ltd. Mysore. The projects and consultancy with pre-declared objectives with the specific terms and conditions will be mentioned in the separate task orders once signed by authorized officials of both groups.

Except as expressly contained herein, neither party shall have any liability or obligation whatsoever under this MoU.
