Ordinance Governing the Under-Graduate Programmes of Karnataka State Open University under Choice Based Credit System (CBCS) – 2021
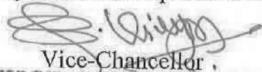

STATEMENT OF OBJECTS AND REASONS

The dream of modern Karnataka as reflected in the vision document 2020 could be achieved only when the universities generate human resources who can meet the global challenges with more emphasis on reaching rural, backward and remote areas. The formal university system cannot reach them due to many constraints. Therefore, Karnataka State Open University established to take the lead to overcome deficiencies and limitations of conventional universities.

The University Grants Commission has published Regulation governing Open Distance Learning Programme and Online Learning Programme (ODL&OL) Regulations - 2020 under Section 26(1) read with Clause (j) of Section 12(5) of the UGC Act, 1956 in the official Gazette of India dated 04.09.2020. The Regulation is mandatory and has to be followed by all the institutions offering higher education through Open and Distance Learning and online learning mode.

Further the University Grants Commission has developed guidelines for implementation of CBCS in Higher Education Institute and has also published model curriculum for various undergraduate programmes.

Choice Based Credit System (CBCS), an internationally acknowledged system that allows flexibility in education system, so that students depending upon their interests can choose inter-disciplinary, intra-disciplinary and skill-based courses. CBCS not only creates opportunities and several avenues to learn core subjects but also explore additional avenues of learning beyond the core subjects for holistic development of an individual. The main feature of the CBCS is to make education student centric rather than system centric or teacher centric. Further in keeping with the vision of the Government, special emphasis has been given to ability enhancement and skill development of students through elective courses under these domains which every student is required to study.

CBCS is a common practice of the universities in several leading universities of the world. University Grants Commission (UGC) had recommended the universities across the country to bring in CBCS. Besides, Government of Karnataka, also has emphasized the need of inter-disciplinary studies like CBCS. Karnataka State Open University (KSOU) has decided to introduce Choice-Based Credit System (CBCS), which allows students to study subjects across disciplines, in the post-graduation courses from the coming academic year. The university is planning to introduce CBCS in its UG programmes in a phased manner.

Therefore, it has become necessary to frame an Ordinance by incorporating various provisions of UGC (ODL&OL) Regulations - 2020, including CBCS for UG programmes. Further, the matters relating to admission of students, the course of study, the award of degrees, come under the scope of Ordinances under Section 24 (1) (a) of the Karnataka State Open University Act, 1992.

In exercise of powers conferred under Statues (Pertaining to the manner in which ordinances are to be made) read with Section 24(1) (A) of The Karnataka State Open University Act, 1992,

This Ordinance was framed and approved by Board of Management. Hence, The Board of Management and the Vice-Chancellor approved the following Ordinance.
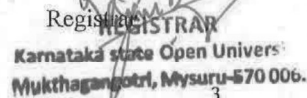

01. Title:

These Regulations shall be called Karnataka State Open University Regulations governing the Under-Graduate Programmes under Choice Based Credit System, **2021**

02. Commencement:

(i) This regulation shall come into force from the date of assent of the Chancellor.

(ii) Notwithstanding anything contained in Clause (2)(i) of this, Ordinance shall come in to force from the Academic year 2021-22.

3.17. **Credit Point** means the product of grade obtained and number of credits assigned for that course.

3.18. **Grade Point** It is the numerical weight allotted to each letter grade on a 10-point scale.

3.19. **Alpha Letter Grade** means the index of the performance of students in a said course. Grades are denoted by letters O, A+, A, B+, B, C, P and F.

3.20. **Semester Grade Point Average** (SGPA) means the measure of performance of work done in a semester. It is ratio of total credit secured by a student in various courses registered in a semester and the total course credits taken during that semester. It shall be expressed up to two decimal places.

3.21. **Semester:** Each semester will consist of 16 weeks of academic work. The odd semester may be scheduled from July to December and even semester from January to June.

3.22. **Cumulative Grade Point Average** (CGPA) means the measure of overall cumulative performance of a student over all semesters. The CGPA is the ratio of total credit points secured by a student in various courses in all semesters and the sum of the total credits of all courses in all the semesters. It is expressed up to two decimal places.

3.23. **Transcript or Grade Card or Certificate:** Based on the grades earned, a grade certificate shall be issued to all the registered students after every semester. The grade certificate will display the course details (code, title, number of credits, grade secured) along with SGPA of that semester and CGPA earned till that semester.

3.24. **SWAYAM** meaning 'Self' is a Hindi acronym that stands for "**Study Webs of Active-Learning for Young Aspiring Minds**" is an Indian Massive open online course (MOOC) platform.

14.3 A candidate who has secured at least 35% marks in each of the courses prescribed for the academic programme and who has earned the minimum credits shall be considered to have passed the Degree, and

14.4 The candidates who seek to improve their results of any of the semesters shall do so by submitting a representation along with a prescribed fee to the Registrar (Evaluation) and surrendering the Degree Certificate/Provisional Pass Certificate/Original Marks Cards of that semester/s within the maximum period as specified in ordinance 7.1 to 7.

15. Grading and Declaration of Result

15.1 **Grade and Credit Points** are computed for each course considering the marks secured and the credits earned in each course. **Grade Points** shall be computed as per table 2 as shown below. **Credit Points** are determined by multiplying the Grade Points in each course by the credits of that course. Both the Grade Points and Credit Points shall be computed for each course in each semester.

15.2 **Grade Point Average** (GPA) shall be computed and given to each candidate based on his/her semester performance. This shall be determined by dividing the sum of credit points earned by the student in all the courses of a semester by the total number of credits for which the candidate has taken examination in that semester,

15.3 **Cumulative Grade Point Average** (CGPA) is computed for the whole academic programme considering the aggregate of Credit Points of all the

semesters earned by the student and dividing this sum by the total credits of all the semesters.

15.4 The CGPA obtained as above (13.4) shall be the base for the determination of Grade and for the declaration of the result. However, the overall % of marks shall be shown in the marks statement of final semester.
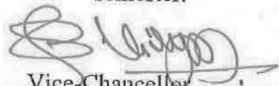

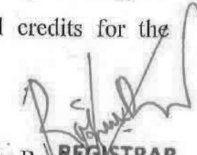

16. Classification of Successful Candidates:

16.1 The results of successful candidates at the end of each semester shall be declared on the basis of Percentage of Aggregate Marks and in terms of Semester Grade Point Average (SGPA) and Eight Point Alpha – Sign Grading Scale. The results at the end of the fourth semester shall also be classified on the basis of Percentage of Aggregate Marks and on the basis of the Cumulative Grade Point Average (CGPA) obtained in all the four semesters and the corresponding overall alpha – sign grade. An eight point grading system, alpha – sign grade as described in Tables below shall be adopted.

16.2 The Semester Grade Point Average (GPA) in a Semester and the Cumulative Grade Point Average (CGPA) at the end of the fourth semester shall be computed as follows:

16.3 Computation of Semester Grade Point Average (SGPA):

The grade points (GP) in a course shall be assigned based on the basis of actual marks scored in that course as per the Table I. The Credit Points (CP) shall then be calculated as the product of the grade points earned in the course and the credits assigned for the course. The total CP for a semester is obtained by adding the CP of all the courses of the semester. The SGPA for a semester is computed by dividing the total CP of all the courses of study by the total credits for the semester.
